

GARDEN OF EDEN RETURN/THE "GOLDEN AGE"

exoterically the United Nations and its NGO's have estimated it would take approximately \$90 billion of funding equivalent to America's cost to wage the 2003 Iraqi War and take 40 years to reforest the planet earth's land surface (2/3 semi-arid and arid sand and ice deserts) and thus end world poverty; and esoterically using the [12 element SUSTAINABLE AGRI-FORESTRY \(SAF\) Model](#) adapted from Ancient Egypt/*Kemit* and other classical ancient civilizations using "experimental/development anthropology", it would take \$45 billion dollars of funding and 15 years to reforest the planet eradicating chronic poverty and significantly reducing crime and terrorism; as did Ancient Egypt/*Kemit* under the [SCHOOL OF ON \(ANNU\)](#) epistemologically based on [NUTRITIONAL HERBOLOGY](#) and [VEGAN/VEGETARIANISM](#).
