

## **“ORIGINAL CONDITION”(THE ABORIGINAL LIFESTYLE and ECOLOGY)**

**exoterically** mainstream science asserts the present [KALI \(IRON\) YUGA](#) age is "naturally" one of a continual generation of different societies whose history of chaos, barbarism and suffering (reflecting a national sadistic/masochistic institutional fascism) rarely produces a civilization of significance; **and** **esoterically** this is the **“General System Design For Earth”** that embodies the aboriginal lifestyle and ecology of human endeavor; referenced in the **Biblical “Garden of Eden Story”** as transmitted by [MOSES](#), exemplified historically by the [ANNU CULTURE](#) and its 36,000 year **“Ancient Egypt/Kemit Science and Civilization”** that was destroyed by thousands of years of environmental degradation.
