

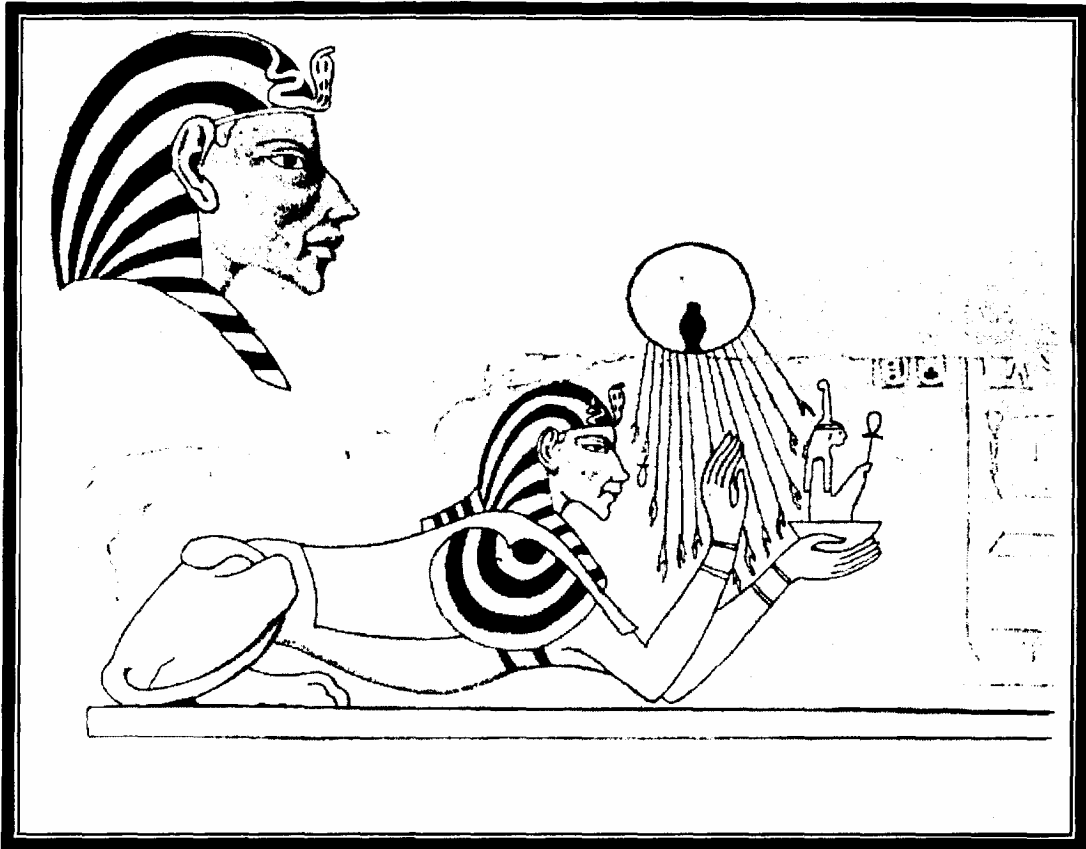

EXHIBIT III_G-1: Aten Path Master Pharaoh Akhenaten: as “Sphinx”HU (Third Plane Sun God)Ra-Heru-Aakhuti

**Pharaoh Akhenaten (Amenhetep IV) as a Sphinx making *Maat* offering to the Aten.
[18th Dynasty c. 1370 B.C.]**

(from W. Budge, Tutankhamen: Amenism, Atenism and Egyptian Monotheism, Plate IX)

EXHIBIT NOTES:

- The **“Sphinx”** is the Greek name of the being the Egyptians name **“HU”**, the name used by the Egyptians and **Sufi Muslims** for those who **meditate/commune** by following the **Annu Khet** of the **“inner lighted stream”** with the **Third Spiritual Plane Sun God Ra-Heru-Aakhuti** esoterically depicted as the **HU\Sphinx**. See **Poem #7C** and **Exhibit I-C-1**.
- Thus esoterically the above monument of **Pharaoh Akhenaten** as the **Sphinx or HU**, means he has merged with the **Third Spiritual Plane Sun God Ra-Heru-Aakhuti**, and as an **“Aten Path” Master** meditates on the **“inner lighted sound.”** He is a **“Master of the Light and Sound Stream”** of the Sun Gods, of which he is shown meditating on and holding in the palm of his hand as **Master**.
- The hieroglyphics rendered **Neb em Annu Khet Ra** or **Neb em Maat Aten** is on the chest of the previous **“Aten Path” Master Amenhotep, Son of Hapu**. See **Exhibit III C-2**. It was also the *premoment* Pharaoh Akhenaten’s father **Pharaoh Amenhetep III**; who was also represented as the **HU\Sphinx**. See also **Exhibit III C-1**.
- Thus **Pharaoh Akhenaten** was also a **“Master”** of the esoteric spiritual practice of the **“Aten Path”**. Such **“Sun People”** or **“children of the light”** or **Aakhu Hammamet** were trained by the **Ancient Egyptian Mystery School of On (Annu)**. Those who achieved the **Third Spiritual Plane** are represented as the **HU\Sphinx**. **This is the esoteric etiology of the word “HU-man”; i.e. a “human” was a “homo sapien” person who had achieved deification while alive on the earth plane.**

EXHIBIT III_G-1b: Aten Path Master Pharaoh Akhenaten: As “Sphinx\HU Ra-Heru-Aakhuti

- Clearly **Pharaoh Amenhetep III** was a practitioner of the **Aten Path** who achieved “**Annu Master Pharaoh**” trained by the **Ancient Egyptian Mystery School of On (Annu)**.
- Thus **Exhibit III B-1** and **Exhibit B-2** present the proper interpretation and translation that indicates that **Pharaoh Amenhetep III’s** father **Pharaoh Thuthmoses IV** was a “**Annu Pharaoh**” who had been trained by **Aten Path Master Thet Hekreshu (Shu-Ra)**. According to **Sphinx Stele of Pharaoh Thuthmose IV** shown in **Exhibit III B-3 4** **Pharaoh Thothmoses IV** too meditated/communed with and became one with the **Sphinx\HU\Sun God Ra-Heru-Aakhuti** also being an **Ancient Egyptian Mystery School of On (Annu)** alumni.

As presented in **Exhibit III C-1** and **Exhibit III C-2** and **Appendix V** herein, **Aten Path Master Amenhotep, Son of Hepu** trained **Pharaoh Akhenaten** and by inference served this role for Akhenaten’s father **Pharaoh Amenhetep III**. See also **Exhibit III D-1 2**, **Exhibit III D-3 4** and **Exhibit III D-5**.

- **Pharaoh Thothmoses IV’s** father was **Pharaoh Amenhetep II**. Thus one can deduce he too was a practitioner of the **Aten Path**, if not a “Master Pharaoh” himself.
- **Cyril Aldred’s** book **Akhenaten** indicates houses of a “**cult of dead ancestors**” dedicated to **Pharaoh Thuthmose I** (father of “Aten Path Master-Queen Pharaoh” **Hatshepsut**), **Pharaoh Amenhotep II**, **Pharaoh Thuthmoses IV** and **Amenhotep III** existed in **Pharaoh Akhenaten’s** city **Akhetaten (Amarna)**. Esoterically they were all minimally 3rd plane “Master Pharaohs” having merged and communed with the **Third Spiritual Plane Sun God Ra-Heru-Aakhuti** symbolized as the **Sphinx/HU**.
- **Pharaoh Akhenaten** changed his name from “Amenhetep IV.” Akhenaton is spelled “Ikhnaton” and “Akhunaten”, but more correctly it should be spelled “Aakhunaten.” Aakhunaten was a “Master Pharaoh” who reached at least the 4 th Spiritual Plane and thus is depicted as a **Sphinx/HU** as shown in the previous **Exhibit III G-1**.
